## CONFERENCE ASSUMPTIONS

The main goal of the Conference is to exchange experience in the field the functioning of the foundation between practitioners and academics, in order to determine the scheme of their functioning in the legal aspect and sources obtaining financing for the implementation of accepted tasks. An important area of the thematic role is also to determine the role of the founder and the adequacy of regulation regarding the functioning of various types of foundations. Your presence at the conference will be a great honor for the organizers.

*Sincerely,*

*dr hab. Mirosław Wasilewski, prof. SGGW*

## SCOPE OF THE THEMATIC

1. Compatibility of the Polish statutory model of the foundation with a constitutional pattern.
2. Adequacy of the legal regulation regarding the operation of different types of foundations.
3. The founder's will as a determinant and limiter of the foundation's activities.
4. The role of the State Treasury and public entities in the creation and functioning of foundations.
5. Effectiveness and adequacy of supervision measures over foundations.
6. The Inclusion of the foundation's capital in the scope of the Treaty principles of the European Union
7. Polish foundation law in a legal-comparative aspect with selected models from Western European countries.
8. A new system for financing the activities of the foundation from public funds.
9. Economic incentives and risks related to the establishment and functioning of the foundation.
